PageantHub Productions presents

Toyland Christmas Pageant

Sat. Dec. 2, 2017

**** Note: When you enter Toyland Pageant please plan accordingly. Your day will be all about the pageant. We cannot rush production or make the event go any faster. Please be patient and understanding, enjoy the day making memories with your family.**

Facebook is our communication tool. Please make sure you have a account or login frequently and visit our official facebook page. On our official page you can click on the current event and check on updates, change of information, photos, contests, drawings, fees off, announcements and more. The itinerary is posted the week prior to the pageant.

Thank you for choosing PageantHub Productions system and joining us for this special event. We are excited to have you attend. We believe pageants shouldn't be just a competition but a fun family event. PHP wants to promote friendships, positive attitudes and family unity. PHP events are intended to be fun and stress-free. PHP is a semi-natural pageant system that celebrates beauty and personality through shining enthusiasm and poise.

PHP rewards young ladies for their success and development. Pageants are a great venue to build character, leadership, and confidence. This is a opportunity for contestants to make new friends & build life long friendships. Contestants can gain confidence, learn good sportsmanship, along with developing skills they can use in life. Whether it is making friends or learning presentation skills for the real world ahead.

PHP does not double crown. This means more titles for contestants instead of stacking titles for top winners. Every contestant will receive a crown, trophy, tshirt and goody bag! No one goes home empty handed.

Santa's Work Shop

All contestants will win Santa Cash and go shopping in Santa's Workshop for toys! Instead of us picking a prize for everyone your contestant can shop with their play cash and pick out something they want! Santa's workshop will open after crowning there will be no entrance prior to crowning. Please be patient, you will be called on stage by a list. We will allow a couple contestants to enter at a time until everyone has gone through the workshop to select their prizes! Remember this is about the kids, not the most prizes.

Rules for the Workshop

- 0-3 years is allowed to have one chaperon or parent to accompany the contestant for their toy selection.
- 4 years & up no one will accompany the contestant. They will go alone with their Santa cash, no exceptions. We want contestants to pick toys they want. Our workshop helpers will assist the contestants to get toys.
- We will have the workshop setup differently this year. Supreme Winners will be required to get one item from the Supreme table section, after that you can pick other items with remaining santa cash.
- When choosing toys, please keep your time to 5 mins or less. Everyone wants to go, everyone is in a hurry.
- Once again be patient. Your age group will be called to line up when it is time.
- After you receive your toys please go to the stage once again with your toys for final pictures. The pageant has concluded after final toy photos.

Gift Exchange..

Every contestant is required to participate in a gift exchange. Bring a nice gift valued up to \$15 for another contestant in your age group. Please bring the gift wrapped or in a gift bag labeled who the gift is from. If you do not bring a gift you will be charged \$15 which is given to the contestant. We would rather they all receive a nice gift instead of cash so they can feel excited like the other contestants. We had 100% participation in recent years. Your contestant will be giving the gift to another contestant on stage! So be sure to have an age appropriate gift with you day of pageant!

Ugly Sweater Contest

PHP has fun for the whole Family! Parents & Family members are encouraged to participate in our Ugly Sweater contest! This is for a family member of a contestant, not the contestant. We may award more than one winner based on participation! Come show your Christmas Spirit.

Teen & Miss Divisions

Each time that you win a title at a pageant you will earn points. What a great way to get stage time while getting something back. Your points will accumulate until you want to redeem the sponsorship. For example if you compete on an off for 2 years you could accumulate quite a bit.

You will be able to claim these points for sponsorship towards select pageant systems approved by PHP. It is not required to participate in the sponsorship program. You can compete just to have a good time. Contact the Director for eligible pageant systems.

With 5 or more contestants in 13 & Up, a Supreme Winner will be awarded. The Supreme winner will be awarded a crown, sash, scepter, trophy, and a crowning robe.

PHP encourages young ladies to display compassion and leadership by making a difference in your community. We hope you will wear your crown and sash with pride as you represent PageantHub Productions in your community.
